Any student trying out MUST have a completed permission form returned to Mrs. Bear by the morning of tryout day. Students that do not have a permission form will not be permitted to try out.

Good Luck Everyone!

FOOD SERVICE HELP

SCSC is hiring Food Service subs to fill in at our school kitchens. This is a great way to earn some extra spending money. Shifts are usually 3 hours during lunch time. There are no guaranteed hours as this is an on call position. Subbing in a kitchen is perfect for those who like to work with children and have a positive attitude. For more information, call Holly at 812-271-1344 or apply online.
