Children who participate in the clinic **will be vaccinated with all CDC recommended vaccines.**

We will consult the state immunization registry to assess the immunization needs of each child.

If you would like to refuse a specific vaccine, please contact the Indiana Immunization Coalition at least 48 hours prior to the event:

clinic@vaccinateindiana.org or call 317-628-7116.

We will not initiate the COVID-19 vaccine series without explicit parental request, but we will complete the COVID-19 vaccine series if it has already been started.
